

FENNY COMPTON PARISH COUNCIL INTERNAL CONTROLS POLICY

1. SCOPE OF RESPONSIBILITY

Fenny Compton Parish Council is responsible for ensuring its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively

In discharging this overall responsibility, the council is also responsible for ensuring there is a sound system of internal control which facilitates the effective exercise of the council's functions and which includes arrangements for the management of risk

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROLS

The system of internal control is designed to manage risk to a reasonable level rather than eliminate all risk. It cannot provide an absolute assurance of effectiveness. The system of control is based on an on-going process to identify the risks to achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and to manage them efficiently, effectively and economically

- Monitors the actual expenditure against budget at each meeting

- Ensures that the Council's procedures, control systems and policies are adhered to

Payments:

All payments are reported to each meeting of the Parish Council. Two members must authorise every payment after review of the accompanying invoice

The council carries out a risk assessment in respect of actions and regularly reviews its systems and controls

Internal Audit:

The council has appointed an Independent Internal Auditor who reports to the Council on the adequacy of its:

- Records
- Procedures

- Systems
- Internal controls
- Regulations
- Risk Management
- Reviews

The effectiveness of the independent internal audit is reviewed annually

External Audit:

The Council's External Auditors are appointed by the Smaller Authorities Audit Appointments Ltd (SAAA) and submit an annual Certificate of Audit, which is reported to the Council

4. REVIEW OF EFFECTIVENESS

The Council is responsible for conducting an annual review of the effectiveness of the system of internal control. The review of the effectiveness of the system of internal control is informed by the work of:

- The Full Council
- The Clerk to the Council/RFO who has the responsibility for the development and maintenance of the internal control environment and managing risks
- The independent Internal Auditor who reviews the Council's system of internal control
- The External Auditor, who makes the final check using the Annual Return and issues an annual audit report (part 3 of the Annual Governance and Accountability Return).
